

## Our Quality Policy

Superior Quality describes the commitment of SANUWAVE and its employees to “Create a brighter future by providing novel and cost-effective solutions, focused on societal needs with the sole purpose of bettering lives everywhere”. A responsibility to superior quality reinforces this commitment to our customers and it is vital to our growth and success.

For our Customers, our commitment to superior quality means that SANUWAVE will partner with the healthcare community at large to ensure we understand the voice of our customers and consistently provide the most technologically advanced solutions and products.

For our Employees, our commitment to superior quality means that we are accountable for the task we perform, we stay current with the newest technology and trends in the industry, we take pride in the work that we do, and we follow our standard operating procedures. These moral and ethical behaviors enforce and strengthen our ability to consistently produce products that meets our customers’ expectations.

For our Organization, our commitment to superior quality means we are relentless in our pursuit of providing value added products and services through continuous improvement, functional excellence, and investing in our employees. Every employee is dedicated to meeting or exceeding all applicable regulatory requirements and operating to the highest ethical standards.

The Quality Policy and System supports the fulfillment of SANUWAVE’s vision, mission, and business objectives.
